

Questions to ask potential pet sitters / dog walkers. We suggest you contact at least 3 sitters in your area and ask them these questions -

Name of Pet Sitter / Dog Walker:

What are your qualifications and experience?

Do you have a list of references? (you should actually call them):

Are you insured? Are your employees or independent contractors bonded?

What will you do if my pet needs emergency vet care and you can't reach me?

What happens if my pet sitter is unavailable to care for my pet (car breaks down, illness, etc)?

How do you keep my keys secure?

Do you have a contract or other forms I need to fill out?

How much does it cost?
